

6 July 2026

OFFICIAL NOTICE OF EVENT POSTPONEMENT

Dear Valued Exhibitors, Sponsors, Partners and Stakeholders,

We refer to the upcoming AI Malaysia Expo (AIMX) 2026 and wish to inform you that, following a comprehensive review of our event planning and strategic considerations, the Organising Committee has made the decision to postpone the event.

The event, originally scheduled to be held on 18–20 August 2026, will now take place on 20–22 April 2027 at the Malaysia International Trade and Exhibition Centre (MITEC), Kuala Lumpur.

This decision has been made to ensure the successful delivery of an event that meets the high standards expected by our exhibitors, partners, delegates and visitors, while providing greater opportunities for participation and commercial engagement.

We wish to assure all confirmed exhibitors, sponsors and partners that their existing participation will remain valid and will automatically be transferred to the new event dates. Our team will be contacting all stakeholders individually to discuss any administrative matters and to ensure a smooth transition.

We sincerely appreciate your understanding, patience and continued confidence in AIMX. Your support remains invaluable, and this postponement reflects our commitment to delivering an event of the highest quality and long-term value for all stakeholders. We look forward to welcoming you to an even stronger and more impactful AI Malaysia Expo on 20–22 April 2027.

Should you have any questions or require further clarification, please do not hesitate to contact the AIMX Organising Committee.

Thank you for your continued support, and we look forward to your participation in April 2027.

Yours faithfully,

AIMX Organising Committee
